

Computer Sales

APATCO Technologies is pleased to announce that Don Ricci has accepted the position of sales person for the Rainy River district.

APATCO Technologies, based in Dryden, has been providing computer and network service in North Western Ontario since March of 1999, and is now continuing their commitment to customer service by offering high quality products like APPLE and Hewlett Packard.

As well as computer equipment, APATCO Technologies also offer a full line of office equipment and supplies.

Call Don today for a quote, at 807-852-3704, or simply e-mail sales@apatco.com
